

EXPECTATIONS FOR MINISTRIES

As a presenting ministry, I will sign a contract agreeing to the following terms:

- ✓ I will attend an Amplify Mission Network meeting as a guest prior to presenting to experience the process first-hand.
- ✓ I will be available to meet with Amplify coaches a minimum of three times, during the two months leading up to my presentation at Amplify.
- ✓ I value input and am open to implementing the feedback given by coaches and business leaders throughout the process.
- ✓ I will create and provide Amplify with 1 or 2 short videos introducing my organization and the challenge I'm facing to be used in promotion for the meeting.
- ✓ I will submit my final PowerPoint presentation and briefing doc approval to Amplify no later than 7 days before my presentation.
- ✓ I will be available to attend the follow-up AMP Session date (typically one week following your presentation) to dive deeper into the feedback collected at the meeting and identify next steps.
- ✓ I complete a questionnaire after my presentation, providing honest and helpful feedback about my experience.
- ✓ I will follow up within three months of my presentation with Amplify staff to share a few things learned or gained from Amplify partners that reshaped or advanced our ministry.
